(+91)9869829800, 61 Ghagra Anushaktinagar Mumbai 400094

Educational Qualifications:

Mumbai university-

BE in Electronics and Telecommunication-71.78%   2017 - 2021

PROJECTS:

Projects done

1) Eyeball Movement based cursor, using deep learning
2) Multivibrator- using IC 555 and op amp 741. (Hardware)

Projects currently in progress

1) Garud (Hardware) (2 best idea in idea presentation event)

Leadership:

Technical Head of IEEE student chapter of SIES GST.

Competition:

1) Participated in annual hackathon (Byte camp).
2) Participated in 24 hrs. coding contest held by IEEE.

Skills:

1) Languages- python, oops, sql, c.
2) Familiar with deep learning concepts.
3) Good at handling circuits and its design.
4) Good at communication.

Extra-curricular:

1) Attended 'All India student's young women in engineering congress' held in Hyderabad.
2) Participated and conducted many events and workshops in college under IEEE.
3) Represented college at university level in basketball.

Areas of interest:

1) Improving Python programming skills.
2) Robotics
3) Machine learning and Artificial Intelligence.
